

RLGA SUMMER 2024 NEWSLETTER

CO-PRESIDENT'S CORNER

Our season got off to a great. We had a low key scramble for opening day, a successful Charity Day and a very fun Mix and Mingle tournament. Our annual Scholarship was given to Caroline Smith of RHS—congratulations to her!

Reminder: please either select “Playing” or “Not Playing” in your round invite email each week. It helps our tee time coordinators fully understand your intention when compiling tee times and the waitlist.

If you have any questions or suggestions, we'd love to hear them!

Join the RLGA TEAM!

It takes a village of volunteers to run this wonderful league that we all play in and enjoy so much. Many of you have helped in various roles throughout the years. But if you have not helped in any way or maybe it's been awhile, it's time to come forward! We have many board members leaving this year and next, so please consider helping? Please contact Barb Soukas or Dot Alexander for more information.
