

# RLGA SUMMER 2023 NEWSLETTER

## ***CO-PRESIDENT'S CORNER***

We are almost through the dog days of summer and everyone is looking forward to the joy of playing fall golf.

Thanks to all of our Board volunteers who keep the league play and events going week after week. Your generosity of time and talent are most appreciated. RLGA will soon be seeking new volunteers to start learning some of these jobroles so that more people are able to share the workload next year. Please consider helping to keep the league going strong by jumping in to help - contact Jennifer Abercrombie or Dot Alexander if you are interested.

Please note that when you are a "late cancel" (anytime Monday or later) or a "Tuesday no show", then you must pay a \$30 cancellation fee before Thursday in order to be given a tee time going forward.

The new process is going to use golf genius notifications and PayPal receipt of payments (no checks on the bulletin board anymore).

## **Important Dates**

### **Presidents' Cup**

August 8th

August 15th

Rain Date: August 22nd

### **Last Day of Play**

October 31st

### **Awards Luncheon**

## ***CHARITY DAY***

Thank you to Bonnie Harrington and Chris Frazee for chairing the event with help from Kaylie Singhal, the intern. The RLGA Charity Day raised \$1,670 for the Ridgefield Emergency Fund. Accepting the check is Tony Phillips, Ridgefield Director of Social Services.

# PRESIDENTS CUP

**Presidents' Cup Day 1 – August 8** Check your potential - What is a great round for you? Individual scorecards will be used. Play your regular game, but do not pickup once you have reached your maximum score. The only exception is if you are having a horrible hole and elect to use your score from Day 2 as your hole score.

**Presidents' Cup Day 2 – August 15** Try to beat each of your individual hole scores from Day 1. Add up your individual lower scores from each hole and record on scorecard. Remember to pick up your ball when you cannot beat your score from Day 1.
